#### MORE AT THERAYVANGROUP.COM

"Simply put, Jarrett and her team at the Rayvan Group are fantastic! I attended a one day "Accelerate your Nonprofit workshop on April 27, 2018. The information was very well compiled, presented and made complete "sense" for application in the nonprofit world that is not always concise and readily organized. I feel completely confident saying that the information I gathered from that one day session has paid dividends for my organization many times over since April. Some specific terminologies that I gathered/conveyed to my internal team include "The nonprofit business model", "where our organization stands" relative to their pyramid of levels (Passion, Promise, Performer or Changemaker), "the program impact matrix", "assembling my Rockstar team", and the list goes on and on. I can also share that post workshop, Jarrett has made herself readily available for me to bounce ideas off of and we have chatted several times, just one more separator of the Rayvan Group!"

#### JEFF SWANSON, ONE STEP BEYOND, INC

"Our Council sought the services of Jarrett for our annual Board Retreat and a post-retreat follow up meeting for our chairman and myself. We were looking for someone with nonprofit expertise on a range of topics and a dynamic, motivational speaker who could help our board get excited for the era we're moving into under new leadership. We found both in Jarrett! She delivered and then some - a total home run. Jarrett was professional, highly capable, engaging, and dependable, not to mention extremely easy to work with. She exhibits high EQ at all times as well. I knew I could leave all the details of organizing our work together, the deliverables, the follow up, etc. to her, and that we'd stay right on track, which we did. I appreciate her services and highly recommend her to anyone in need of nonprofit expertise and/or a speaker/facilitator/presenter."
